

DXI 2023 (DEEP and EXTREME Indonesia 2023)

Asia's Biggest Diving, Marine and Adventure Show.

Jakarta, May 23, 2023 - Approaching its 15th year of commencement in Indonesia, The International Exhibition of Diving, Watersports, Extreme Sports, Marine Tourism, and Outdoor Adventure, DXI 2023 (DEEP and EXTREME Indonesia 2023), will be held at Hall B, Jakarta Convention Center, from June 1-4, 2023. With the theme "THE ULTIMATE THRILL," DXI 2023 will introduce new categories to address the extreme sports and outdoor adventure community's and enthusiasts' demand, as well as to invite people to go on an adventure in Indonesia's uniqueness and natural wealth, which includes its beautiful land, air, and sea.

The COVID-19 pandemic has further raised the importance of exercise to maintain a healthy body. Consequently, many individuals now take up sports as a new hobby, with outdoor activities being one of them. Scuba diving, freediving, surfing, paddling, kayaking, fishing, mountain biking, motor adventure, and other outdoor activities are becoming more and more popular.

Dharmawan Sutanto (President Director of PT Exhibition Network Indonesia, Diver, and Founder of DEEP & EXTREME Indonesia) says, "It is no secret that Indonesia is known as a country in Asia that has many diving spots, extreme sport, and outdoor adventure. This is because Indonesia is the largest archipelagic country in the world and is geographically located in a strategic position. By promoting the potential of Indonesia's stunning natural tourism, together with some shopping activities, we hope to invite Indonesians to experience the uniqueness of Indonesia's nature through DXI. We hope that DXI can assist Indonesia's tourism industry in its recovery, particularly in the areas of nature and marine tourism.

Michael Bayu Sumarijanto, President Director of PT Fasen Creative Quality, Diver says "We are very happy to be able to present DXI again, the largest exhibition in Asia and the only local exhibition that is eagerly anticipated by diving sports, aquatic sports, extreme sports, marine tourism, and outdoor adventure enthusiasts. This year, DXI strengthened extreme sports as a component of Indonesia's land and sea-based outdoor adventure business in order to meet the public's interest in outdoor activities. DXI will present Surf skate Park and Indoor Mountainbike Park, which have never been seen in other shows in Indonesia".

Ganesha Tamzil, a Mountainbike Content Creator and also known as Rock'n'Roll Daddy, said, "As an Mountain Bike MTB enthusiast,, DXI is the one event I always look forward to each year. It is one of the platforms we use in the mountain biking communities to exchange stories, information, and expertise about our endeavors and to better promote MTB to the larger community."

Gemalla Carrissa (Surfer, Content Creator Wet Traveler) said, "Indonesia is known to have many varieties of natural resources, including stunning seas. Therefore, it has become a popular travel and surfing destination for both domestic and international travelers. Unfortunately, many of us are still unaware of the numerous advantages that maritime tourism Indonesians offer.. I look forward to the DXI event every year because it gives surfers the opportunity to invite others to share the adventure of discovering the beauty and natural wealth of Indonesia. In addition, we can learn about budget-friendly Indonesian tourist destinations to indulge our passions"

DXI 2023 will also present several engaging programs such as Talk Shows, Underwater Photo Talks, Children's Sea-Themed Costume Competitions, Adventure-Themed Photography Competitions, Surfskate Parks for Beginners and the MTB Community, Indoor MTB Parks for Beginners and the MTB Community, and SCUBEX (Scuba Experience), a massive tank designed for visitors who want to experience diving for the first time.

Only at DXI visitors can get special prices on diving equipment and other outdoor adventure gear. There will also be an interesting Grand Door Prize for visitors that is also available for grabs

Tickets for DXI 2023 can be accessed through the website www.deepestremeindonesia.com. and also on the spot for Rp. 50,000 (single entry) and Rp. 150,000 (multiple entries) .

###

About DEEP & EXTREME Indonesia (DXI)

DXI is the only exhibition in Indonesia that has been a leading promotion platform for adventurous lifestyles such as diving, water sports, extreme sports, marine tourism, and outdoor adventure. DXI is a one-stop shopping that has established itself as an excellent and successful marketing tool as well as a successful business development platform and its related ecosystem.
